线性模型：

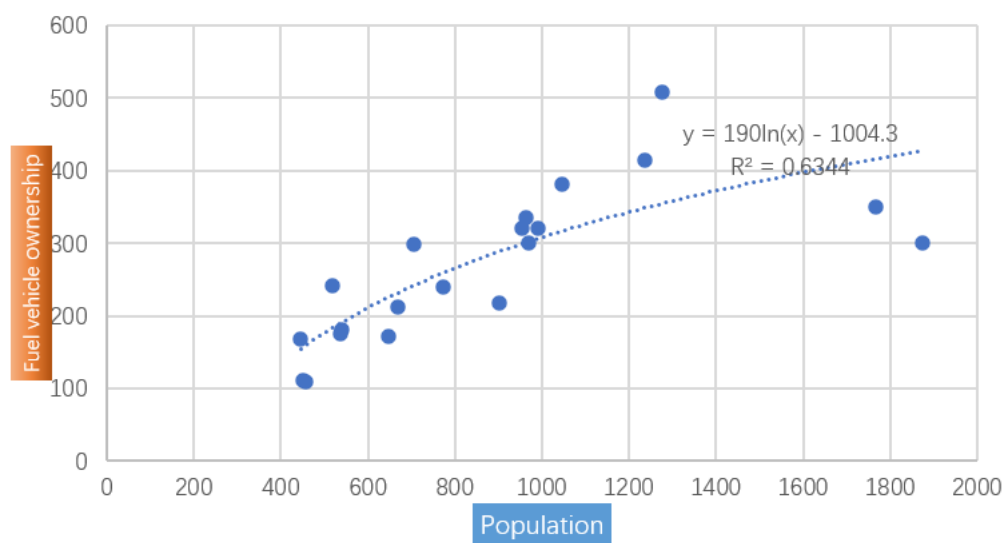

对数模型

The fitting trend chart of population and fuel vehicle ownership

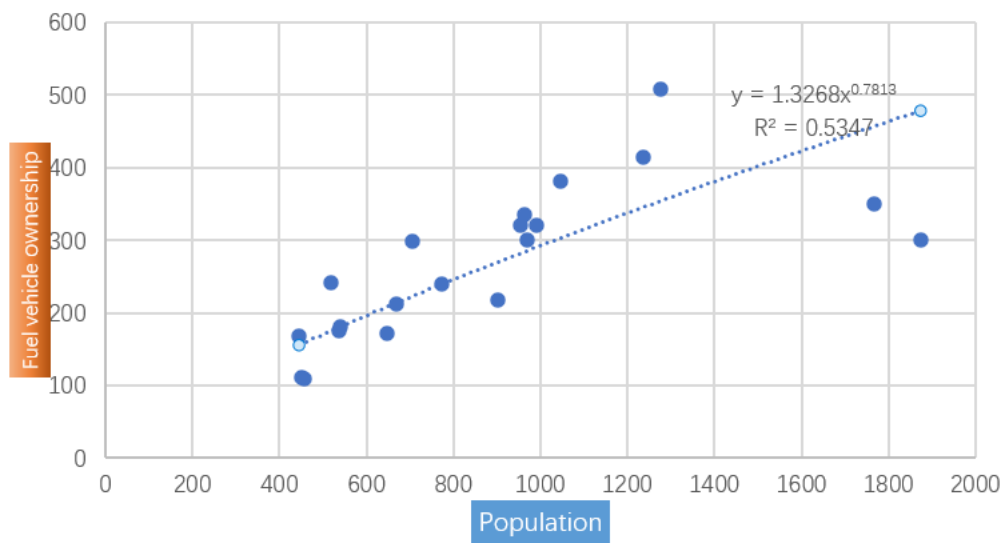

多项式模型:

The fitting trend chart of population and fuel vehicle ownership

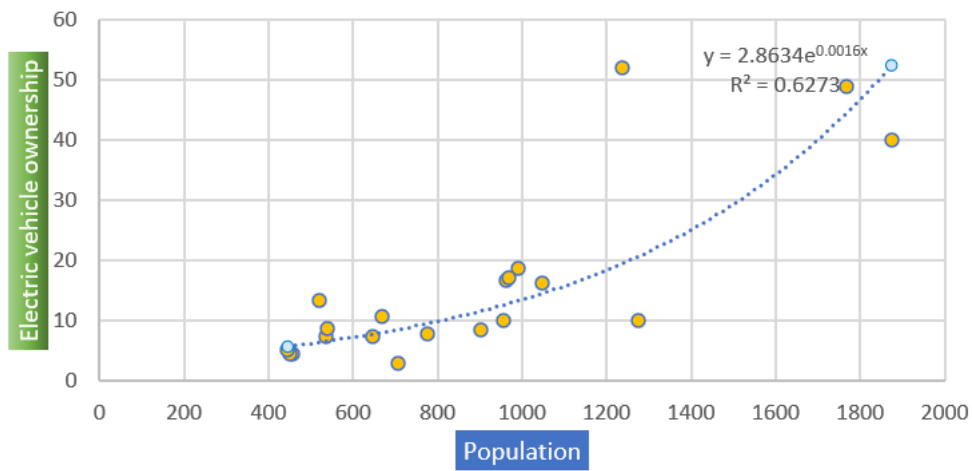

乘幂模型:

The fitting trend chart of population and fuel vehicle ownership

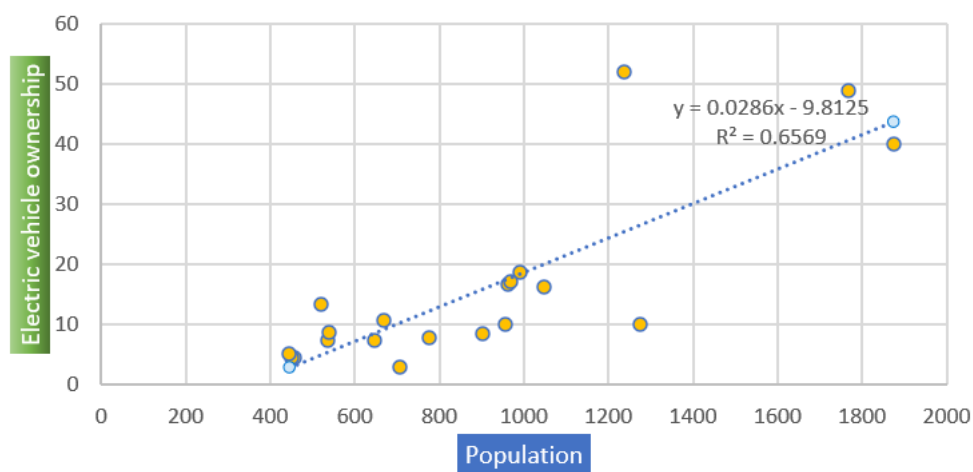

指数模型:

The fitting trend graph of population and electric vehicle ownership

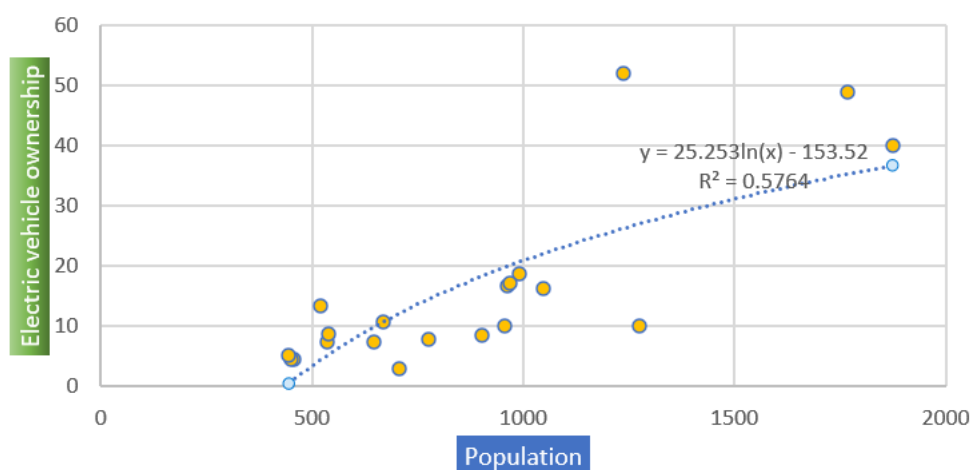

线性模型

The fitting trend graph of population and electric vehicle ownership

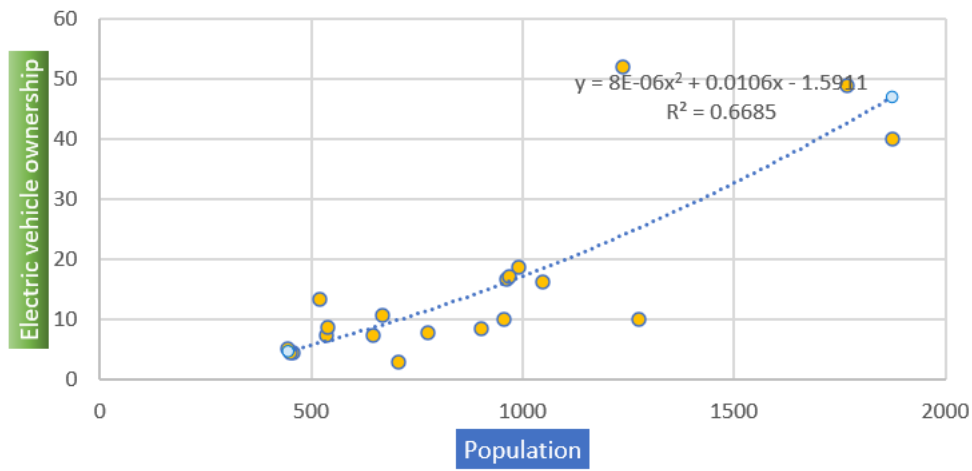

对数模型

The fitting trend graph of population and electric vehicle ownership

多项式模型

The fitting trend graph of population and electric vehicle ownership

乘幂模型

The fitting trend graph of population and electric vehicle ownership
